Dear Supervisors:

**ADOPT A RESOLUTION ASSIGNING THE COUNTY'S RIGHT TO APPLY FOR SECOND
SUPERVISORIAL DISTRICT SPECIFIED EXCESS FUNDS TO THE BALDWIN HILLS REGIONAL
CONSERVATION AUTHORITY FOR ACQUISITION AND DEVELOPMENT IN BALDWIN HILLS
PURSUANT TO THE SAFE NEIGHBORHOOD PARKS PROPOSITION OF 1996
(SUPERVISORIAL DISTRICT 2) (3 VOTES)**

SUBJECT

Approval of the recommended actions will allow the Department of Parks and Recreation to assign the County's right to apply for \$2,784,690 of Second Supervisorial District Specified Excess Funds, allocated to the Department of Parks and Recreation by the Los Angeles Regional Park and Open Space District, pursuant to the Safe Neighborhood Parks Proposition of 1996, to the Baldwin Hills Regional Conservation Authority for acquisition and development in the Baldwin Hills.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the proposed project is categorically exempt from the California Environmental Quality Act (CEQA) according to Section 15316 of the CEQA Guidelines and Class 16 of the County of Los Angeles Environmental Document Reporting Procedures and Guidelines, adopted by your Board on November 17, 1987, because the project involves acquisition of land to establish a park.
2. Adopt the attached Resolution assigning the County's right to apply for \$2,784,690 of Second Supervisorial District Specified Excess Funds to the Baldwin Hills Regional Conservation Authority (Authority), allocated to the Department of Parks and Recreation (Department) by the Los Angeles County Regional Park and Open Space District (District), pursuant to the Safe Neighborhood Parks Proposition of 1996 (1996 Proposition), for the acquisition of land and development of related facilities and public access in Baldwin Hills.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will allow the Department to assign the County's right to apply for \$2,784,690 of Second Supervisorial District Specified Excess Funds, pursuant to the 1996 Proposition, to the Authority. Funding will be used for the acquisition of lands for park, wildlife, natural and open space purposes and for development of appurtenant recreation facilities and public access in Baldwin Hills.

In a related action on today's agenda, the District is requesting that your Board allocate \$2,784,690 available to the Second Supervisorial District to the Department and that your Board adopt the Resolution assigning the County's right to apply for these funds to the Authority when applicable conditions have been met.

Implementation of Strategic Plan Goals

The recommended actions support Countywide Strategic Plan Goals of Operational Effectiveness (Goal 1); Children, Family and Adult Well-Being (Goal 2); and Community and Municipal Services (Goal 3); by investing in public infrastructure that will enhance recreational opportunities in the Baldwin Hills.

FISCAL IMPACT/FINANCING

The recommended actions will have no impact on the County's General Fund as sufficient appropriation in the amount of \$2,784,690 is budgeted in the Second Supervisorial District's portion of the District's Specified Excess Funds Project Fund, HD6.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The 1996 Proposition provides a method of determining each fiscal year the amount of Excess Funds that will be available in the following fiscal year to fund capital improvement projects in addition to the amounts specifically identified for projects in the Safe Neighborhood Parks Propositions of 1992 and 1996.

County Counsel has approved the attached Resolution as to form.

ENVIRONMENTAL DOCUMENTATION

The proposed project is exempt from the CEQA according to Section 15316 of the State CEQA Guidelines and Classes 16 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, because the project involves acquisition of land to establish a park.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended action will not have a negative impact on any other services or any current or planned projects; it will allow for the acquisition and development of additional open space and
